### Admissions and Attendance Registers

Date	Review Date	Coordinator	Nominated Committee member
05/09/2019	05/09/2021	N Myers	D Redmond

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Children Act 1989
- Education Act 1996
- **Data Protection Act 2018**
- School Standards and Framework Act 1998
- Education (Pupil Registration) (England) Regulations 2006
- Education (Pupil Registration) (Amendment) (England) Regulations 2010
- Equality Act 2010
- Education (Pupil Registration) (Amendment) (England) Regulations 2011
- School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012
- Education (Pupil Registration) (Amendment) (England) Regulations 2013
- Education (Pupil Registration) (Amendment) (England) Regulations 2016

The following documentation is also related to this policy:

- School Attendance (DfE)
- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)

**We are aware that the General Data Protection Regulations (GDPR) has entirely replaced the previous Data Protection Act (DPA) making changes to many existing data protection rules and regulations that schools, academies and other educational establishments adhered to under the DPA. The principal aim of the GDPR is to strengthen and unify the safety and security of all data held within an organisation.**

We have a duty to ensure all pupils attend school regularly in order for them to fulfil their potential as we believe that children with poor attendance will achieve less.

## Good Apple Independent School

We must promote good attendance, reduce absence and especially persistent absence. We must ensure every pupil has access to full-time education to which they are entitled and to identify and address patterns of absence.

We encourage all parents to 'perform their legal duty by ensuring their children of compulsory school age who are registered at school attend regularly.'

We believe we conform with current legal regulations that govern the admissions and attendances registers that we must keep. We fully understand that an admission register must be kept by law and includes the 'personal details of every pupil in the school, the date of admission or re-admission, information regarding parents/carers and details of the school attended'; and that pupil attendance must be recorded.

We believe attendance registers are important for effective attendance management and providing evidence in the event of prosecution of parents under the Education Act 1996.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.
